That would be great especially if they have a relationship with the Councilmember. Thanks Rena.

Marie ,

It might be possible to get one or two board members to attend one of these meetings. What are your thoughts?

Hello!

Attached is the list of meetings we have set so far with Councilmembers to discuss vending. Please let me know if you can join any of these.

We also have Rodriguez Strategies inviting business owners and community groups from the member's area.

Thank you, Marie
